

2022 UNDERSTANDING JAPANESE CULTURE PROGRAM

# NOH APPRECIATION

Participation Free!!

The Hiroshima International Center is holding “Noh Appreciation” as the first event in its ‘Understanding Japanese Culture Program’ this year. In this event, courtesy of the Hiroshin Culture Foundation, we will be taking part in the “Noh/Kyogen Appreciation Program for Students.” Being able to witness traditional culture like “Noh” and “Kyogen,” performed on a true Noh stage, is a valuable opportunity. It is our hope that by taking part in this program, international residents can gain a feel for traditional Japanese culture and a deeper understanding of Japan.

## What is “Noh” Theater?

Noh Theater is a generic term used to refer to *Noh* and *Kyogen*. With a 600-year history, it is the oldest surviving form of stage performance in the modern world. The Japanese Noh Theater combines dance, drama, music and poetry. It consists of *Noh*, a musical play which evokes a unique beauty known as “yugenbi”, and *Kyogen*, a humorous and colloquial drama which draws on the real world for its material. The beauty of this ancient Japanese tradition is truly worth seeing.
